CRITERION I - CURRICULAR ASPECTS

1.1 - Curriculum Planning and Implementation

1.1.1 - Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

College adheres to the curriculum and the question paper pattern prescribed by the University of Mumbai through the respective Board of Studies. The IQAC prepares an Academic Calendar in consonance with the calendar of the University to avoid clashes. Under the guidance and leadership of the Principal, departmental meetings are conducted at the beginning of the academic year to discuss the scope of the given curriculum and make it relevant for students' progression. Each teacher prepares a teaching plan to complete the syllabus on time and the same is monitored by the Head of the Department periodically. The time table committee prepares the time table. The prospectus is provided to students at the beginning of the academic year and made available on the website too. This contains list of all the courses of all the programs conducted. Teachers suggest the reference books to the students in their respective subjects/courses. All teachers are encouraged to upload notes on the college website. Various innovative teaching methods are implemented using LCD projectors, e-resources in the library and reprographic facility. External subject experts are invited to deliver lectures on relevant topics. Modern technological tools like

Internet, Google Classroom and Power point presentations are used by the faculty to make the class room teaching and learning more effective and interactive. Daily attendance of the students is marked, and daily records of lectures taken are maintained. Industrial visits are arranged by departments to extend theoretical knowledge to students. Language Laboratory is in force to improve English language skills. To ensure effective curriculum delivery the institution provides the following support: • Laptops and LCD projectors and interactive smart boards have been provided to enable the faculty members to deliver contents by integrating the ICT for the effective implementation of the syllabus. • Internet facility is provided to upgrade the knowledge of the teachers. • College library has a good collection of reference books, journals and wide variety of other books which help teachers to prepare for the class. • Staff Academy organises lectures for faculty members to enhance their knowledge in various fields/subjects.

College made use of fully automated system for obtaining and analysing feedback. Draft Feedback form is prepared by Feedback Committee, this is circulated among all the staff

members, to obtain their views, which is again discussed among the Feedback committee members and same if necessary, it's incorporated. This Feedback form is ultimately used. Students are explained the importance of feedback, before their fillup the same. The feedback from students, teachers and parents was gathered by making use of software LMS. Feedback from employers and alumni was gathered by feedback committee with the help of Google forms. Web Committee gave each teacher and student their unique username and OTP. Thus, all students and teachers gave their feedback online, by given date. The software had the analysis processed atomized, as far as Statistical reports are concerned. However, wherever the openend questions are there, same are investigated by the feedback committee along with Web Committee. Further analytical report is prepared combining statistical and open ended question response. The analysis report produced was presented to Principal and IQAC Head. Subsequently overall summarised report is prepared by the above head, which is presented to management in CDC meeting. After the above process, Principal took the grooming sessions with individual teachers and discussion take place about continuity of the positive aspects and how to overcome the shortfall, if any. The issue related to management are presented to management, who take this further up in Governing Council.

6.1.2 - Does the institution have a Management Information System (MIS)?

Yes

6.2 - Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum followed is that prescribed by the University of Mumbai for all the programmes. The Faculty is encouraged to attend syllabus revision workshops conducted at various colleges. Accordingly, members of the faculty regularly attend seminars / workshops etc. on syllabus revision. Our faculty member Mrs.Gracy D'souza is a member of Board of studies TYB.Com. Departmental meeting is conducted in order to give suggestions for syllabus and the same is being forwarded to board of studies.

Teaching and Learning	Teaching Plan submitted at the beginning of each semester and weekly reports are collected from the lecturers. Staff members prepare a teaching plan at the beginning of every semester. This plan is based on the teaching days available for class instruction. Staff members are encouraged to use audio visual aids and ICT in the classroom. Usage of LCD projectors for better presentation, usage of ICT board, role play, casestudy approach so as to make learning simple, easy and interesting. Regular departmental meeting are conducted. Notes are being uploaded on website. The faculty uses innovative teaching learning methods such as roleplays, group discussions and news article discussions. Black Board Technology has been introduced to provide a virtual learning environment and to serve as a platform for communication and sharing academic content with students. A Language Lab has also been established to provide an interactive and student-centric learning experience. Field trips, industrial visits and workshops are organized to understand the practical nature of the subjects taught. Under LMS staff members upload notes, powerpoint presentation for students. Notes are uploaded on college website.
Examination and Evaluation	College follows all Ordinances as laid down by the University of Mumbai as regards to examination, evaluation, gracing, moderation, revaluation, remuneration, student progression etc. As an affiliated college of Mumbai University, we have adopted the online system for assessment of answer sheets for all third year exams conducted by Mumbai University. During examination time workload of supervision is adjusted depending on papers assessment and result declaration of result. Supervision chart is allotted on equity basis.
Research and Development	Fulltime faculty of the college is provided with a laptop with WiFi facility to help them in research work. Direct access to several databases related to online journals, company data, laws, eBooks, etc. is made available to faculty from NLIST. Database orientation sessions are organized to acquaint the faculty with the usage of various online databases, eBooks etc. Google groups have been created for faculty and students to update themselves regarding the latest acquisition of books, journals etc. which can be used by them for research.
Library, ICT and Physical Infrastructure / Instrumentation	The college has added necessary hardware and software to equip classrooms and laboratories with ICT facilities. Fulltime faculty of the college is provided with a laptop. Satisfactory Computer student ratio. Direct access to several databases related to online journals, laws, eBooks, etc. useful for studies,

	projects and exercises. Campus has WIFI facility. Google classroom, Technical session is being arranged for students and staff on regular basis.
Human Resource Management	Regular appraisal of faculty by students is done through student feedback on faculty. Students fill feedback form for each faculty for different subjects in computer lab or on mobile application designed by the institute. In the staff meeting, staff members are shown their individual feedback and after the meeting principal has one on one discussion with each staff member on the basis of analysis of their feedback. The institution encourages and also provides financial assistance in terms of reimbursement of fees to the faculty to attend seminars, present papers, participate in refresher /orientation courses.
Industry Interaction / Collaboration	With the objectives of enabling the students to establish the link between Theory and Practice and to establish Institute Industry relationship on a permanent basis, the college organizes a Guest Lecture Series every year. In the academic year 201718, More than 20 guest lectures were organized in which eminent resource persons from industry were invited to deliver talks in their various areas of expertise. • Guest lectures are conducted by industry experts. • Short Industrial visit is organized (BSE). • Placement was conducted Assorted HR solutions, Hindustan Times etc.
Admission of Students	The college follows Online Admission process which is detailed on the college website (www.jmpcollege.org). To ensure transparency in the admission process an Admission Committee is formed. All the admissions are processed through this committee for proper scrutiny of documents. The admission process is done using the MICM software. The complete master list of applicants as per merit is displayed on the college notice board.
