Functioning of the College

As per the Vision and Mission of the college various Quality improvement Strategies are planned and implemented for the development of the students.

➤ **Teaching & Learning:** -

Teaching:- Our mission is to emerge as an important center of learning to complete all challenges of the future. To face the challenges in the competitive world, our college encourage the faculty members to upgrade their qualifications .They are also encouraged to attend seminars, workshops in their subjects. Teachers are encouraged to present papers in the conferences. This helps the teachers to acquire better knowledge and develop their teaching skills. All essential facilities like laptops, LCD projectors, audio visual facilities , charts etc are provided to the teachers for better teaching and learning.

Learning:- Our aim is to impart quality education to students. To achieve this aim, students are encouraged to attend lectures regularly. Attendance is made compulsory for all the students strictly according to the University of Mumbai norms. Regular tests and periodic assessment methods are conducted to evaluate their learning capability. The projects and assignments are given to the students for testing their practical knowledge. Regular notes are uploaded on the website so students can study easily. Modern methods of Teaching-learning are implemented to make education accessible to all. The feedbacks from students are taken for every term and analyzed for further improvement.

➤ **Research and development:** -

The faculty members are encouraged to undertake minor and major research projects. The faculties are encouraged to write research papers in reputed journals and present papers in conferences and Seminars .Students are encouraged to learn to write research papers or undertake research projects. .

➤ **Community engagement:** -

One of our goals is to empower students to assume Leadership for social Transformation. To fulfill this goal, we encourage our students to involve in National Service Scheme projects as well as in Rotaract club activities.

Criterion : 6.2.1

Various projects on the issues of Cleanliness, Environmental Awareness, Blood Donation, AIDS awareness, Plastic Free Campus are undertaken. Students are also encouraged to be members of extension activities (DLLE). Through these activities our students, faculty members and management is involved in various community Development activities.

➤ **The conduct of various Co-curricular and Extra-Curricular Activities:**

One of our aims is to develop critical thinkers and concerned citizens. To fulfill this goal, our college conducts various co-curricular activities such as A.D.Shroff Memorial Elocution Competition, Essay Writing competitions and debate competitions regularly. Various extra-curricular Cultural and Sports activities are organized for the all round development of the students. Through such activities the goal of value based and need based education is achieved.

➤ **Staff Recruitment and Human Resource Development Strategy-**

As one of goals of our college to impart quality education to students, enough care is taken to recruit the qualified faculty. In the beginning of the year, the faculty members are recruited as per the teaching requirements. Faculty development programmes are organized regularly to upgrade the faculty members. The college has a mechanism to monitor the performance of the faculty members. The functional freedom is given to all the departments to undertake various activities. The non – teaching staff are encouraged to attend workshop for the development of knowledge.

➤ **Industry Academia Interaction:**

The college organizes industrial visits and study tours for the students regularly. The industrial visits to manufacturing units, service Industries and Bombay Stock Exchange helps to expose the students to the functioning of the industries. Through such visits the goal of contributing to the new perspectives is achieved. The college also organizes guest lecturers of industrialists for the students.
